

## PHOTO ADVISORY -- Many Healthy Foods Off-Limits for Women Due to Digestive Issues

July 18, 2014

Editors are advised that a high-resolution photo is available to accompany the news release, NY71123, Many Healthy Foods Off-Limits for Women Due to Digestive Issues, issued on July 17 by Prestige Brands Holdings, Inc.

Caption: New Beano® + Dairy Defense™ is the first over-the-counter option that prevents both gas and dairy issues, giving women the freedom to eat the foods they want without worrying about the uncomfortable symptoms they can cause. It contains two natural enzymes that help the body break down potential "problem foods" such as vegetables, beans, whole grains and dairy, combining the gas prevention of Beano® with a natural lactose aid for double protection. Now available at drug, grocery, and other retailers nationwide including Walgreens and Rite-Aid. For more information, visit [www.beanogas.com](http://www.beanogas.com). (PRNewsFoto)
