**Explanation of Responses:**

- Reflects the weighted average sale price. The reporting person effected multiple same-way open market sale transactions on the same day at different prices through a trade order executed by a broker-dealer. The reporting person reported on a single line all such transactions that occurred within a one dollar price range. The reporting person hereby undertakes to provide upon request by the Securities Exchange Commission staff, the issuer, or a shareholder of the issuer, full information regarding the number of shares sold at each separate price.
- The range of prices for such transaction is \$20.00 to \$20.07.
- The shares of issuer common stock are held in a trust, of which the reporting person and his spouse are co-trustees and the reporting person is the beneficiary. The reporting person inadvertently previously reported some of these shares as being directly held by him.
