#### Item 8.01 Other Events

Reference is made to that portion of Part I, Item 3 of the Annual Report on Form 10-K of Prestige Brands Holdings, Inc. (the "Company") for the fiscal year ended March 31, 2006 filed with the Commission on June 14, 2006 discussing In re Prestige Brands Holdings, Inc., Civil Action No. 05 CV.06924 (CLB), a consolidated putative securities class action lawsuit filed in the United States District Court for the Southern District of New York (the "Consolidated Action").

On July 10, 2006, the Court issued a memorandum and order (the "Order"), a copy of which is filed as Exhibit 99.1 to this Current Report on Form 8-K, to which reference is made for a complete description of the Court's ruling. In the Order, the Court:

- · Dismissed all of the claims against the Prestige Defendants (as defined in the Order) and GTCR Golder Rauner II, LLC ("GTCR") that arose under the Securities Exchange Act of 1934.
- · Dismissed claims arising under Sections 11 and 12(a)(2) of the Securities Act of 1933 (the "Securities Act") against GTCR as a selling stockholder in the Company's initial public offering. At this time, claims arising under Sections 11 and 12(a)(2) of the Securities Act remain against defendants other than GTCR.
- · Determined that any stockholder who did not purchase common stock of the Company in the Company's initial public offering lacks standing to sue the Company under Section 12(a)(2) of the Securities Act.
- · Granted plaintiffs leave to amend their complaint in the Consolidated Action to allege a claim against GTCR for "controlling person" liability under Section 15 of the Securities Act.

The Company's management continues to believe that it has meritorious defenses to the allegations in the Consolidated Action and intends to vigorously pursue those defenses; however, the Company cannot reasonably estimate a potential range of loss, if any, in this matter at this time.
